RULES AND REGULATIONS
FOR
MONTREUX AT DEERWOOD LAKE, A CONDOMINIUM

1. Occupancy and Use Restrictions. Except as otherwise herein expressly provided, the Units shall be used only for residential purposes. No business, profession or trade of any type shall be conducted on any portion of the Units. Nothing herein shall be construed to prohibit ownership of a Unit by a corporation, domestic or foreign, provided that the residential nature of the Units is not disturbed. Further, this prohibition shall not be applicable to the Developer with respect to its improvements to the Condominium Property, its construction, repair, decorating, administration, sale, rental or lease of Units, or its use of Units as models, V.I.P. or guest suites, or for sales offices or management services for the Condominium.

Occupancy in Units, except for temporary occupancy by visiting guests, shall not exceed two (2) persons per bedroom and one (1) person per den (as defined by the Association for the purpose of excluding from such definition living rooms, dining rooms, family rooms, country kitchens and the like). The provisions of this Rule 1 shall not be applicable to Units used by the Developer or any of its affiliates for model units, V.I.P. suites, sales offices or management or other services for the Condominium.

Unless otherwise determined by the Board of Directors of the Association, and except as otherwise provided in Rule 2, a person(s) occupying a Unit for more than one (1) month without the Unit Owner or a member of his family being present shall not be deemed a guest but, rather, shall be deemed a lessee for purposes of this Section (regardless of whether a lease exists or rent is paid) and shall be subject to the provisions of the Declaration of Condominium which apply to lessees and these Rules and Regulations. The purpose of this paragraph is to prohibit the circumvention of the provisions and intent of the Declaration of Condominium and these Rules and Regulations pertaining to the approval of leases, and the Board of Directors of the Condominium shall enforce, and the Unit Owners shall comply with, same with due regard for such purpose.

2. Leases. Leasing of Units shall be subject to the prior written approval of the Association. Every lease of a Unit shall specifically require a deposit from the prospective tenant in an amount not to exceed one (1) month's rent ("Deposit"), to be held in an escrow account maintained by the Association, provided, however, that the Deposit shall not be required for any Unit which is rented or leased directly by or to the Developer. No lease shall be for a term of less than twelve (12) months. In the event any lease terminates prior to the end of its term, a Unit Owner may lease its Unit one additional time during the calendar year of such termination. In no event shall a Unit be leased more than two (2) times within any calendar year, regardless of the lease term. The foregoing requirement shall not apply to a Unit rented or leased directly by or to the Developer. Every lease shall provide (or, if it does not, shall be automatically deemed to provide) that: (i) a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of this Declaration (and all Exhibits hereto), the Master Covenants, and with any and all rules and regulations adopted by the Association from time to time (before or after the execution of the lease); (ii) and that a tenant may not, under any circumstances, sublet the Unit (or any portion thereof) to any other person or permit occupancy by any other person. Additionally, copies of all written leases shall be submitted to the Association and tenants must register with the

Association prior to moving in. The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount which is required by the Association to repair any damage to the Common Elements from the acts or omissions of tenants (as determined in the sole discretion of the Association) and to pay any claim for injury or damage to property caused by the negligence of the tenant and a special charge may be levied against the Unit therefore.

All leases are hereby made subordinate to any lien filed by the Association, whether prior or subsequent to such lease

The Association may use the Deposit to repair any damage to the Common Elements, Association Property and/or any damage to the Condominium Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount in excess of the Deposit which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the tenant. Payment of interest, claims against the Deposit, refunds and disputes regarding the disposition of the Deposit shall be handled in the same fashion as provided in Part II of Chapter 83, Florida Statutes.

When a Unit is leased, a tenant shall have all use rights in Association Property and those Common Elements otherwise readily available for use generally by the Unit Owners, and the Owner(s) of the leased Unit shall not have such rights, except as a guest, unless such rights are waived in writing by the tenant. Nothing herein shall interfere with the access rights of the Unit Owner as a landlord pursuant to Chapter 83, Florida Statutes. The Association shall have the right to adopt rules to prohibit dual usage by a Unit Owner and a tenant of Association Property and Common Elements otherwise readily available for use generally by Unit Owners. Additionally, copies of all leases of Units shall be submitted to the Association and the tenants thereunder must register with the Association prior to any occupancy.

3. Children. Children will be the direct responsibility of their parents or legal guardians, including full supervision of them while within the Condominium and including full compliance by them with these Rules and Regulations and any other rules and regulations of the Association. Playing shall not be permitted in any of the hallways, stairways, or other Common Elements.

4. Pets. No more than two (2) household pets (as may be defined and re-defined by the Association) shall be maintained in any Unit or any Limited Common Element appurtenant thereto. The maximum total weight for any one household pet may not exceed one hundred (100) pounds. Household pets shall not be kept, bred or maintained for any commercial purpose and shall not become a nuisance or annoyance to neighbors. Those pets which, in the sole discretion of the Association endanger health, safety, have the propensity for dangerous or vicious behavior (such as pit bulldogs or other similar breeds or mixed breeds), make objectionable noise, or constitute a nuisance or inconvenience to the Owners of other Units or to the owner of any other portion of the Condominium shall be removed upon request of the Board of the Association. Unit Owners must pick up all solid wastes of their pets and dispose of such wastes appropriately. All pets (including cats) must be kept on a leash of a length that affords reasonable control over the pet at all times, or must be carried, when outside the Unit. No pet may be kept on a balcony or terrace when its owner is not in the Unit. Without limiting the generality of Section 17.4 of the Declaration of Condominium, any violation of the provisions of this restriction shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property.

5. Use of Common Elements and Association Property. No portion of the Units, the Limited Common Elements, the other Common Elements, or the Condominium Property shall be used for any purpose other than those reasonably suited for furnishing the services and facilities incident to the use and occupancy of the Units. The Common Elements shall not be obstructed, littered, defaced, or misused in any manner. In no event shall any Unit Owner or occupant place, or permit the placement of, any item that obstructs, or otherwise impedes access to, any portions of the Condominium that are either designated or used as delivery and receiving areas.

6. Nuisances. No portion of the Units, Limited Common Elements or Common Elements shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious or unsightly to the eye; nor shall any substance, thing, or material be kept on any portion of the Units or the Limited Common Elements appurtenant thereto that will emit foul or obnoxious odors or cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding properties. No noxious or offensive activity shall be carried on in any Units, Common Elements, Limited Common Elements or other portions of the Condominium Property, nor shall anything be done therein which may be or become an unreasonable annoyance or nuisance to any Owner. The Board of Directors shall have the right to determine if any equipment, fixture, improvement, materials or activity producing such noise or odor constitutes a nuisance. In particular, during the hours from 11:00 p.m. through 8:00 a.m. no Unit Owner shall play (or permit to be played in its Unit or on the Limited Common Elements or Common Elements) any musical instrument, phonograph, television, radio or the like in a way that unreasonably disturbs or annoys other Unit Owners or occupants. Additionally, there shall not be maintained any plants, animals, devices or things of any sort whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant, or of a nature that may diminish or destroy the enjoyment of the Units, or any other portions of the Condominium Property. No outside burning of wood, leaves, trash, garbage, or household refuse shall be permitted within the Condominium Property. No activity specifically permitted by these Rules shall be deemed a nuisance.

7. Outside Items. No rubbish, garbage, refuse or trash shall be kept, stored or allowed to accumulate on any portion of the Condominium Property except within designated trash receptacles. No linens, clothing, household fabrics, curtains, rugs, or laundry of any kind shall be hung, dried or aired from any windows, doors, balconies, terraces or other portions of the Condominium Property. No equipment, materials or other items shall be placed on balconies, patios or similar areas. The foregoing shall not prevent placing and using patio-type furniture, planters and other items in such areas if the same are normally and customarily used for a residential balcony or terrace area. In the event of any doubt or dispute as to whether a particular item is permitted hereunder, the decision of the Board of Directors shall be final and dispositive.

8. Firearms. The discharge of firearms and fireworks within the Condominium Property is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and other firearms of all types, regardless of size.

9. No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Condominium, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of the Declaration, the Articles of Incorporation or the By-Laws, the Association shall not be liable to any person(s) for its failure to enforce the

provisions of this Rule. No activity specifically permitted by the Declaration shall be deemed to be a violation of this Rule.

10. Alterations or Additions. No Unit Owner shall cause or allow improvements or changes to his Unit or to any Limited Common Elements, Common Elements, or Association Property, which alters the exterior appearance thereof, or which could in any way affect the structural, electrical, plumbing or mechanical systems of the Building or elsewhere within the Condominium Property, without obtaining the prior written consent of the Association (in the manner specified in Section 9.1 of the Declaration). No spas, hot tubs, whirlpools or similar improvements shall be permitted on any patio or balcony. See Section 17.10 of the Declaration for details.

11. Sound, Weight and Flooring Restrictions. The installation of hard and/or heavy surface floor covering such as tile, marble, wood, and the like, other than in the ground floor Units and in the bathrooms, kitchens and foyer areas of all other Units, must be approved by the Board of Directors of the Association which approval shall not be unreasonably withheld, conditioned or delayed. Additionally, the installation of any heavy improvement or heavy object in or on the Condominium Property must be approved by the Board of Directors of the Association which approval shall not be unreasonably withheld, conditioned or delayed. The Board of Directors of the Association may in its reasonable discretion require a structural engineer to review certain of the proposed improvements, with such review to be at the Owner's sole expense. Any use guidelines set forth by the Association shall be consistent with good design practices for the waterproofing and overall structural design of the Buildings. Owners will be held strictly liable for violations of these restrictions and for all damages resulting therefrom and the Association has the right to require immediate removal of violations. A waterproofing system is to be placed on the concrete surface of the balcony prior to the installation of the setting bed and tile. This waterproofing system must be as recommended by the manufacturer of the tile setting material and the installation must follow the waterproofing manufacturer's written recommendations. Applicable warranties of the Developer, if any, shall be voided by violations of these restrictions and requirements. Each Owner agrees that sound transmission in a building such as the Condominium is very difficult to control, and that noises from adjoining or nearby Units and/or mechanical equipment can often be heard in another Unit. **The Developer does not make any representation or warranty as to the level of sound transmission between and among Units and the other portions of the Condominium, and each Owner shall be deemed to waive and expressly release any such warranty and claim for loss or damages resulting from sound transmission.**

12. Exterior Improvements. Without limiting the generality of Sections 9.1 or 17.10 of the Declaration of Condominium, but subject to the provisions thereof specifically permitting same, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Units (including, but not limited to, awnings, canopies, shutters, signs, screens, window tinting, fixtures and equipment), nor plant or grow any type of shrubbery, flower, tree, vine, grass or other plant life or landscaping on its patio or balcony, without the prior written consent of the Association. No painting or changes in the exterior colors of any Units or the Limited Common Elements appurtenant thereto shall be permitted. No painting or changes in the exterior colors of any Units or the Limited Common Elements shall be permitted.

13. Signs. No sign, poster, display, billboard or other advertising device of any kind including, without limitation, "FOR SALE", "FOR RENT", security service or construction signs shall be displayed to the public view on any portion of the Unit, Limited Common Elements or Common Elements, without the prior written consent of the Association, except (a) signs, regardless of size, used by the Developer, its successors or assigns or a party developing or marketing any portion of the Condominium, including signs used for construction or repairs, advertising, marketing, sales or leasing activities, (b) signs installed as part of the initial construction of the Units or other

Improvements and replacements of such signs (similar or otherwise) and (c) bulletin boards, entrance, directional, informational and similar signs used by the Association.

14. Lighting. All exterior lights and exterior electrical outlets must be approved in accordance with Section 9 of the Declaration.

15. Exterior Sculpture and Similar Items. Exterior sculpture, flags, and similar items must be approved in accordance with Section 9 of the Declaration of Condominium. Notwithstanding the foregoing, any Unit Owner may respectfully display one (1) portable, removable American flag, and, on Armed Forces Day, Memorial Day, Flag Day, Independence Day, and Veterans Day, any Unit Owner may respectfully display portable, removable official flags, not larger than four and one-half feet by six feet (4'6" x 6") that represent the United States Army, Navy, Air Force, Marine Corps, or Coast Guard.

16. Air Conditioning Units. No window or wall mounted air conditioning units may be installed in any Unit. Units with large amounts of outdoor glass windows and doors are susceptible to large temperature fluctuations, based upon the location of the various rooms within the Unit, as well as the differing positions of the sun throughout the day and the differing weather conditions throughout the year. The normal operations of the air conditioning systems in the Units may not fully compensate for these temperature fluctuations and additional adjustments, through the use of indoor window treatments such as curtains and blinds, may be necessary.

17. Outside Installations. No radio station or short wave operations of any kind shall operate from any Unit, Limited Common Elements or Common Elements. No exterior satellite dish, or other transmitting or receiving apparatus radio antenna, television antenna or other antenna of any type shall be erected or maintained on the Common Elements, Limited Common Elements or Units, without the prior written consent of the Association. Notwithstanding the foregoing, upon obtaining the prior written consent of the Association, satellite dishes and other devices permitted under Section 207 of the Telecommunications Act of 1996, may be installed within the Units or within any Limited Common Elements appurtenant thereto, provided however, that in no event shall any such device be installed in or on any other portion of the Condominium Property. To the extent permissible under applicable law, the Association may enact Rules and Regulations, requiring that any such devices which may be permitted under applicable law are comparable in size, weight and appearance, are installed and maintained in a manner designed to protect the safety of the Building and its occupants, and satisfy any standards established by the Association for architectural appearance purposes.

18. Window and Door Treatments. No reflective film tinting or window coverings shall be installed on any windows or glass doors except as necessary to replace or restore tinting of glass surfaces as originally installed, unless approved by the Association in accordance with Section 9.1 of the Declaration. Curtains, drapes and other window coverings (including their linings) which face on exterior windows or glass doors of Units, or are visible from the exterior of the Building, shall be white or off-white in color, unless otherwise specifically approved by the Board of Directors. No aluminum foil may be placed in any window or glass door of a Unit and no reflective substance may be placed on any glass in a Unit, except for any substance previously approved by the Board of Directors for energy conservation or hurricane protection purposes. No unsightly materials may be placed on any window or glass door or shall be visible through such window or glass door. Any screen door must be of a uniform type approved by the Association.

19. Unit Maintenance. Each Unit Owner must undertake or must designate a responsible firm or individual to undertake his general maintenance responsibilities, which shall include, at a minimum, maintaining the exterior appearance of the Unit and the Limited Common Elements, safe-

guarding the Unit and the Limited Common Elements, to prepare for hurricane or tropical storm watches and warnings by, among other things, removing any unfixed items on balconies and terraces, and repairing the Unit in the event of any damage therefrom. An Owner may designate a firm or individual to perform such functions for the Owner, but such designation shall not relieve the Owner of any responsibility hereunder. The name(s) and addresses of such firm or individual must be furnished to the Association. The designation of such firm or individual shall be subject to the approval of the Association.

20. Hazardous Substances. No flammable, combustible or explosive fluids, chemicals or other substances may be kept in any Unit, Limited Common Elements or Common Elements, except such as are generally used for normal household purposes. No electric, gas, charcoal barbecue or other cooking devices, or outside cooking, is permitted on any patio or balcony.

21. Mold Prevention. No Unit Owner shall install within his or her Unit, or upon the Common Elements and/or the Association Property, non-breathable wall-coverings or low-permeance paints. Additionally, any and all built-in casework, furniture and/or shelving within a Unit must be installed over floor coverings to allow air space and air movement and shall not be installed with backboards flush against any gypsum board wall. Further, all Unit Owners, whether or not occupying the Unit, shall continually run the air conditioning system to minimize humidity in the Unit. While the foregoing is intended to minimize the potential development of mold and other microtoxins, the Developer does not make any representations or warranties regarding the existence or development of molds or microtoxins and each Owner shall be deemed to waive and expressly release any such warranty and claim for loss or damages resulting from the existence and/or development of same. **While the foregoing is intended to minimize the potential development of mold and other microtoxins, the Developer does not make any representations or warranties regarding the existence or development of molds or microtoxins and each Owner shall be deemed to waive and expressly release any such warranty and claim for loss or damages resulting from the existence and/or development of molds, mildew, spores, fungi and/or other microtoxins.**

22. Play Equipment, Strollers, Etc. Bicycles, tricycles, scooters, skateboards, and other play equipment, baby strollers and similar items shall not at any time be left in the hallways or other Common Elements of the Condominium or in the Limited Common Elements (including balconies, terraces and patios).

23. Insurance Rates. Nothing shall be done or kept in the Common Elements, Limited Common Elements or Units which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept in the Units, or on the Limited Common Elements or Common Elements, which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

24. Association Access to Units. In order to facilitate access to Units by the Association, it shall be the responsibility of all Unit Owners to deliver a set of keys to their Unit to the Association to use in the performance of its functions. No Owner shall change the locks to its Unit without so notifying the Association and delivering to the Association a new set of keys to such Unit.

25. Employees of Unit Owners. Domestic employees of Unit Owners are required to enter the Building only through designated entranceways, may only use the service elevator and may not use the recreational amenities.

26. Use of Employees. Employees of the Association are not to be engaged by Unit Owners during such employees' normal working hours, for personal errands which are not within the

scope of the applicable employee's duties. The Board of Directors, through a management company engaged by the Association, if any, shall be solely responsible for directing and supervising the Association's employees.

27. Documents. All Owners shall be obligated to deliver the documents received from the Developer, or from any prior Owner, containing the Declaration of Condominium and any other documents, and any amendments thereto, to any purchaser or grantee of their Unit including, without limitation, any documents, and any amendments thereto, relating to the Association. Notwithstanding the foregoing, in the event of loss or damage to the documents they may be obtained from the Association upon payment of the actual cost for preparing and furnishing the documents to any Owner requesting them.

28. Liability for Damage. Unit Owners are liable for any damage caused by them, their family members, tenants or guests to the Common Elements.

29. Liability for Repairs. A Unit Owner shall be jointly and severally liable with his tenant for any amount which is required to affect repairs or replacements to the Common Elements caused by the tenant. All leases of Units shall be automatically deemed to include a covenant on the part of the tenant to comply with, and be fully bound by, the provisions of the Declaration, Master Covenants and these Rules and Regulations. This Rule shall also apply to subleases of Units and assignments of leases.

30. Rules and Regulations. Every Owner and occupant shall comply with these Rules and Regulations as set forth herein, any and all rules and regulations which from time to time may be adopted, and the provisions of the Declaration, By-Laws and Articles of Incorporation of the Association, as amended from time to time. Failure of an Owner or occupant to so comply shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. In addition to all other remedies, in the sole discretion of the Board of Directors of the Association, a fine or fines may be imposed upon a Unit for the failure of an Owner, or its occupant, licensee or invitee, in an amount not to exceed that allowed by the Act as same may be amended from time to time, to comply with any covenant, restriction, rule or regulation herein or in the Declaration, By-Laws or Rules and Regulations, provided the following procedures are adhered to:

a. Notice: The Association shall notify the Owner or occupant of the infraction or infractions. Included in the notice shall be a date and time of the next Board of Directors meeting at which time the Owner or occupant shall present reasons why a fine should not be imposed.

b. Hearing: The Unit Owner or tenant shall be afforded an opportunity for a hearing after reasonable notice to the Unit Owner or tenant of not less than 14 days, which notice shall include (i) a statement of the date, time and place of the hearing, (ii) a statement of the provisions of the Declaration, By-Laws or Rules and Regulations which have allegedly been violated, and (iii) a short and plain statement of the matters asserted by the Association. The Unit Owner or tenant shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge and respond to any material considered by the Association. The hearing must be held before a committee of other Unit Owners. At the hearing, the Committee shall conduct a reasonable inquiry to determine whether the alleged violation in fact occurred, and if the Committee so determines, it may impose such fine as it deems appropriate by written notice to the Unit Owner or tenant. If the Committee does not agree with the fine, the fine may not be levied.

c. Fines: The amount of any fine shall be determined by the Association and shall not exceed \$100.00 per violation.

d. Violation: Notwithstanding paragraph (c) above, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed \$1,000.00.

e. Payment of Fines: Any fine imposed by the Board shall be due and payable within ten (10) days after written notice of the imposition of the fine, or if a hearing is timely requested, within ten (10) days after written notice of the Committee's decision at the hearing.

f. Application of Fines: All monies received from fines shall be allocated as directed by the Board of Directors.

g. Non-exclusive Remedy: These fines shall not be construed to be exclusive and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any penalty paid by the offending Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant.

31. Effect on Developer. These rules and regulations shall not apply to the Developer, nor its agents or employees and contractors, nor to the Units owned by the Developer except that the Developer shall be subject to the requirement that the prior written approval of the Association be obtained for leases of Units set forth in Rule 2 and to the pet restrictions set forth in Rule 4. All of these rules and regulations shall apply, however, to all other Owners and occupants even if not specifically so stated in portions hereof. In enforcing its rights hereunder, the Developer shall also be entitled to bring an action and recover sums due for damages, injunctive relief, or any combination thereof, and the Developer shall be entitled to recover all legal fees and expenses incurred in connection with any such action.
